Campership Fund Application

*First and foremost, we ask that the campership policy not be abused.
There are limited funds available so they are distributed to those in need only.*

Typically, camperships are granted for one third (1/3) of the camp fee. The remaining two thirds (2/3) are the responsibility of the camper and/or sponsor. Suggested sponsors are: church, club/groups in your community, individuals, businesses, etc. It is the camper's responsibility to secure a sponsor.
