## Camp Wyoming is an Effective Resource for Churches

Camp is a place where people of all ages can grow in their faith and in their relationship with God. Camp Wyoming provides a summer camp experience for youth to develop personally and spiritually in an experiential learning environment. It is the community of love and support that draws kids back every year where they can be themselves and extend their circle of brothers and sisters in Christ. Camp is working to make a clear distinction with its connection to the local Presbyterian churches. We are offering a Pastors-in-Residence program this summer where Pastors will serve as a spiritual well for campers and staff to enliven the camp experience for everyone.

For many, it seems like their camp experiences ended when they graduated from High School. However, Camp Wyoming does provide its site, facilities, and programs for people of all ages. We can host your Adult Men or Women's group, Session, Pastors, Family reunions, or individual members. Camp Wyoming has a variety of accommodations to meet the needs and size of any group. We encourage anyone to consider using Camp Wyoming as a place to experience God's creation, the fellowship of each other, and a spiritual well for oneself.

Finally, in conjunction with the Presbytery of East Iowa, we are hosting a professional development workshop for church staff and volunteers who work with youth and families. Workshops are the best places to visit with people working in similar roles as well as learn about ways to develop their programs.

Camp Wyoming can serve as an effective resource for growing the ministry of your Church. Please feel free to peruse our website [www.campwyoming.net](http://www.campwyoming.net) to learn more about our programs and facilities and call us if you have any questions or comments.

## Maquoketa Valley Electric Cooperative Makes Substantial Donation

Camp Wyoming received a donation of 400 compact fluorescent light bulbs (CFL) from our electric utility provider, Maquoketa Valley Electric Cooperative. This donation replaced every light bulb in Camp and provides the following benefits:

- \*Reduces the amount of fossil fuels needed to generate electricity
- \*Reduces our electric bill allowing financial resources to be redirected
- \*Reduces disposal of burnt out light bulbs in the landfill
- \*Reduces time spent by staff replacing light bulbs

This amazing contribution to Camp reinforces one aspect of our mission "to aid in understanding of the natural world as a precious gift and the need to responsibly protect the environment."

Thanks so much, Maquoketa Valley Electric Cooperative!

## CAPITAL CAMPAIGN UPDATE "Connecting God, Nature, and Life"

We continue to visit with churches, groups, corporations, and individuals to seek financial support towards our Capital Campaign goal of \$800,000. To date, we have received pledges in the amount of \$325,000. Many churches within the Presbytery of East Iowa and John Knox Presbytery are finalizing their plans to pledge support over the next three years. We hope these pledges will help us meet the goal.

We are excited about how the Campaign is going and learning about the long-term connection between Camp Wyoming and specific families and churches. It is obvious that people are interested in investing in the ministry of Camp Wyoming and its future. We would also like to take the opportunity to thank every volunteer who has helped in developing the Campaign plan and visiting with people about the Campaign. We appreciate your time, effort, and energy. We are blessed to have you as part of our Camp family.

In an effort to update everyone on the Campaign plan, we have completed the following purchases and projects to date:

- \*Replacement of carpet in the Owl's Nest
- \*New showers in Hickory and Whippoorwill Lodge
- \*Renovation of Rogers Lodge (new beds, furnishings, and carpet)
- \*Construction of platform tents for housing summer staff
- \*New Maintenance Truck and Plow
- \*New bedspreads and curtains in the Owl's Nest
- \*Multipurpose mini van

This Spring, we plan to replace the mattresses in the Owl's Nest, replace the bathroom stalls in Hickory Lodge, Whippoorwill Lodge, and Deer Center, and then renovate our Swimming Pool. As you can tell, we have worked to improve the experience for all summer camp and retreat group participants. If you are interested in learning more about our Campaign or would like to request a visit to discuss a pledge, please contact our Camp Director, Kevin Cullum, at (563) 488-3893.

### Wintertainment Review

Wintertainment was a blast this year! Even though we were without the excitement of snow, campers and staff participated in Bible studies, activities, and fellowship which reconnected them with the spirit of Camp. The Theme for Wintertainment was "In God We Trust." Campers shared in discussions about trusting in God and in turn building their trust in others. They participated in Bible Study activities that helped them use their God-given senses to see and hear God more clearly. This process helped each individual learn of different ways to commune with God and grow in their faith.

Wintertainment was filled with neat activities such as S'Mores, an evening game of Alpha Wolf, a Hike to Horsethief Cave, various camp games, Winter Olympics, and Camp Jam. We encourage many of you to mark your calendar for the 2007 Wintertainment scheduled from Friday, December 28<sup>th</sup> to Sunday December 30<sup>th</sup>.

*Volunteer Spotlight ~ Rev. Wendy Boden-Nelson*

Rev. Wendy Boden-Nelson serves as the Volunteer Director for the Summer Games camp program at Camp Wyoming. Wendy is the Temporary Supply for First Presbyterian Church in Baraboo, Wisconsin. She has been the Associate Pastor for this Church for 14 years and agreed to serve as Temporary Supply when Rev. David Gilmore retired last year after 33 years of service.

Wendy was born in Torrance, California. She grew up in California and Connecticut. Wendy graduated from the University of Connecticut with a degree in History. During the summer after she graduated, she worked part-time in two separate jobs, as an Au pair and as the Director of Blood Services for the American Red Cross. She later became the Fiscal Services Director for the American Red Cross.

Wendy then attended and graduated from Fuller Theological Seminary in Pasadena, California. She went to Fuller because it is the largest interdenominational seminary in the world and offers a diverse campus. One of her favorite pastors also suggested the school. Wendy thought Fuller provided a good mix of subjects which gave her a solid foundation. After graduating from Fuller, she worked as a Youth Director for Covenant Presbyterian Church in Los Angeles. Wendy found this role as a helpful experience in developing her ministry.

Wendy took her first call as the Associate Pastor at First Presbyterian Church in Burlington, Iowa. She found it took a while for her to adjust to the change in culture as she moved from a huge metropolis to a small city in the Midwest. Wendy says she still receives their newsletter and is impressed with what they're doing.

Wendy met her husband, Blair, while they were attending Fuller Seminary. Blair moved from his native town of Vancouver, Canada to Madison, Wisconsin where he and Wendy got married. They have two children, Max (12) and Anna (9). Both kids play the piano, soccer, and dance. Max enjoys playing the trumpet while Anna likes to sew. Wendy's favorite food is steak and sauteed mushrooms. Her favorite movie is "The Wind and the Lion" starring Sean Connery and Candace Bergen.

Wendy has been involved with the Summer Games program at Camp Wyoming since 1994. She has been very proud and excited about the development of the program and how campers have blossomed during their time at Camp. Wendy has been very appreciative of the Camp Kitchen's hospitality in working with her husband and son's dietary restriction. Both Blair and Max suffer from Celiac disease which means they are unable to eat wheat, oats, barley, and rye. Wendy has been real thankful to how the kitchen has taken care of her family. Wendy is "excited about the Camp Wyoming ministry, its dedication, and its effort to bring kids to know Jesus Christ so they can share God's love to those they meet out in the World."

We are blessed to have the vibrant and committed efforts of Rev. Wendy Boden-Nelson. We encourage many of you to register for the Summer Games program and learn about Jesus Christ through your time with Wendy.

## Staff Spotlight ~Jasper "JP" Scott

Jasper Scott is the Maintenance Assistant at Camp Wyoming. Jasper, also known as JP has been involved in the camp since he was knee-high to a grasshopper. Having a Father and Grandmother working at camp while he was growing up made it easy for JP to experience camp life; walking the trails and exploring the nooks and crannies many of us never see.

JP graduated from Midland Community High School in 2002 and has pursued his interest in horses while helping on the family farm. JP is in his element when cruising around on his motorcycle. His favorite food is taco pizza while his favorite movie is "The World's Fastest Indian". JP performs most of the mowing for Camp on our 1953 Ford tractor. One of his hopes and dreams is for Camp to obtain a newer tractor with more power which will ultimately help make productive use of his time.

Thanks for your dedication JP!

## Board Spotlight Susanne Snead

Susanne Snead of Oxford Junction is the Treasurer of the Camp Wyoming Board.

Susanne grew up on a farm west of Wyoming and graduated from Midland Community High School. She attended Iowa State University and came home with a business degree. Susanne is employed at the Wyoming branch of Citizens State Bank. You won't find a more community oriented person as Susanne shines in all facets. A member of the Oxford Junction Ambulance Service and the Midland Ambulance Service, Susanne has advanced her medical training to a licensed EMT-I. She also serves as a Board Member of the Calkin's Commission in Wyoming. Susanne is very proud of her children, Derek and Chelsea and Chelsea's husband Jake. For fun, Susanne likes to shop for antiques, go to the movies, and grow pretty poseys in her yard. Susanne feels Camp Wyoming is a great treasure to have in the communities back yard and encourages everyone to enjoy it.

Thanks Susanne!
