

Thank you for registering your child for camp this summer. We hope they are looking forward to making friends, having fun, and growing in their faith. Listed below you will find more information regarding the camp session, what to bring, how & when to check-in, health forms, and other important information. If you have any questions or concerns, please feel free to contact us at 563-488-3893.

**PRIOR to Camp Arrival:**

The HEALTH FORM, PARENT/COUNSELOR FORM and NON-PRESCRIPTION MEDICATION CONSENT FORM must be filled out and sent to the camp office two weeks prior to your child's camp start date. The MEDICATION SHEET can be filled out and brought with you on the day of registration. These forms are required for attendance at Camp Wyoming.

**Check In Procedure:**

Please note that we will be unable to properly care for your child prior to the start of camp registration. If you will be arriving late or other complications arise, please notify the camp office.

<b><u>Camp Session:</u></b>	<b><u>Check In Time:</u></b>	<b><u>Check In Site:</u></b>

**Check In Involves:**

1. Final payment of any outstanding camp fee balances.
2. Cabin assignments for your child.
3. Health screening & head lice check. If head lice are found on a child, we are prepared to administer medication on site, which will enable the child to stay at camp while being treated.
4. Drop off any medications to Medication Manager.
5. Purchase of any Camp Wyoming keepsake items or clothing.
6. After you have gone through the check-in process, you may move your child into their lodging quarters.

**Check Out Procedure:**

<b><u>Camp Session:</u></b>	<b><u>Check Out Time:</u></b>	<b><u>Check Out Site:</u></b>
Seniors	Saturday 10:00 AM	PJ Shelter

Please be sure to arrive at the designated departure times as staff will be unable to care for your child afterwards, unless pre-planned with camp management. If you will be arriving late or other complications arise, please notify the camp office. Check out involves signing out your child, picking up your child's medication and loading their personal belongings.

### **Trading Post:**

Camp Wyoming operates a small store known as the Trading Post where campers are able to purchase clothing, water bottles, postcards, and many other items. The Trading Post will be open during Registration and Check-out for your convenience. Camp Wyoming provides campers with natural treats they can make themselves like ice cream, popcorn, or Dutch oven brownies during the daily snack. There is no additional cost for these “natural treats” above and beyond the camp registration fee.

### **Telephone & Mail:**

Use of the telephone is not permitted without the permission of the camp staff. Campers are encouraged to write home. Campers also enjoy hearing from you. Address your mail as follows:

**Camper's Name & Camp Session, Camp Wyoming, 9106 42nd Ave, Wyoming, IA 52362.**

### **First Aid:**

All counselors are certified in First Aid/CPR and are with campers 24 hours a day. The camp medication manager conducts daily sick calls and dispenses all medication. All medications must be deposited with the Medication Manager at check-in. Parents will be notified if a camper has an illness or injury that requires more than first aid care. Parents will also be contacted if questions regarding a health issue arise. Each family is responsible for covering costs of medical expenses incurred at camp. The camp insurance policy provides supplementary coverage for accident expenses, which exceed the family's resources. It does not cover the costs for illnesses.

### **Clothing & Equipment List:**

It is strongly suggested that all clothing and equipment be marked with your camper's name. Lost and found articles with names attached are much easier to return to owners. Lost and found articles left at camp will remain there for a period of two weeks to be claimed by the owners. Campers should bring enough clothing with them to last for the session. When packing, keep in mind that campers should dress for comfort.

### **Vehicles:**

Vehicles should only be driven on roads. If campers drive themselves, they will need to turn in their keys to the office upon arrival.
